

### Barry Hecker Basketball Camp

*"Best teaching camp of fundamentals  
in the Salt Lake Valley"*

This camp is sponsored by Standard Optical and organized by Barry Hecker, previously with the Memphis Grizzlies, Cleveland Cavaliers, and the LA Clippers.

Coach Hecker has over forty years of teaching basketball. The camp will focus in skill development in the areas of passing, shooting, dribbling, and footwork. Coach Hecker has organized the camp for over 15 years as well as directed the Adrian Dantley (NBA Hall of Fame) camp for 13 years. Parents love the way skills are taught by the coaches. ### *Fall Sandy Soccer Academy*

#### ACADEMY INFORMATION

Instructors and staff will be provided by Utah Avalanche Soccer Club. Each week we build on what's learned from the previous weeks. Curriculum for the various age groups will be modified based on current skill levels of the players in an age group. Registration includes Academy t-shirt and soccer ball.

#### PRE-KINDERGARTEN/KINDERGARTEN (4-5 YEARS OLD)

For this age group, the Academy is designed to provide an introduction to soccer in a non-competitive environment while providing a great opportunity for kids to learn and develop coordination. The focus will be on balance, coordination, basic ball skills, and learning the game.

#### AGES (6 TO 8 YEARS OLD)

This age group is typically more coordinated and more aware of their own movement. Many kids will still get confused with the right and left direction. They are still very egocentric, wanting to take the ball and dribble by themselves to take a shot. The focus will be on individual ball skills, balance, and movement, and introduction to the team aspect of the game.
